"By members, for members; together in friendship for over 30 years."

IWCL MONTHLY MEETING

Tuesday, 5 April at the Hotel Pestalozzi

Via Pietro Bianchi, Piazza Indipendenza 9, 6901 Lugano

09.30 - 10.15 Coffee/Tea 10.15 - 10.30 Club Announcements

10.30 - 11.30 Speaker: James Moffat

The Art and Power of Interactive Storytelling

James is an entrepreneur, an interactive bedtime story teller, and business strategist. Based on more than 20 years of business and life experience, thousands of people have benefitted from his comforting sounds as an inspirer. He has helped rediscover, empower and transform the lives of his clients and friends on their

business and personal life journeys.

He has created his own radio show and appeared on numerous others, been a guest on several international podcasts, featured in Entrepreneurial magazines, been guest speaker at many events and has presented to thousands of people so far in his career. He is a No.1 International best seller and author of children's books, and a Startup mentor. He has mastered the art of Interactive Storytelling, both for Business and Personal Growth and Development.

His background is in telecommunication technology, where he graduated as an Electrical Engineer, and with his natural ability to sell, he moved into more strategical sales and business growth as an Advisor, Mentor and Consultant to many International SME companies.

James is a father of three small children, an Interactive bedtime storyteller, a life mentor and inspirer for many University students, especially in Brazil where his wife comes from.

Storytelling is a basic human activity. In every communication we have, whether in business or personal (with friends and family), we use storytelling. In some cases, this is one directional and can lead to a boring, less inviting situation, that loses the attention of the audience (I'm sure we have all been there!). And others can be extremely interactive, and you wonder where the time has gone, wishing to extend the conversation longer and looking forward to the next.

Today, James will talk to us about Storytelling. What is Interactive Story telling and why is it so important? Is there a formula or a structure? Can anyone be a storyteller and what skills are needed? And is storytelling missing in our lives ?

YOUR PERSONAL INFORMATION ...

It's the time of year when we start to create our next Membership Directory. Most of you seem to love that little book, and use it a lot, so please can you all take a moment to **CHECK YOUR PERSONAL INFORMATION** in the current Directory, and make sure that it's correct!

If you have any changes, please kindly send an email to Cat, our Database Co-ordinator, who will update your file accordingly. Jonsi will ensure that the website Directory is also current.

The last day for any changes this year is 31st March, after which the information will go to the printer so that we can distribute the Directories at our June Brunch, as usual.

Thanks in advance, ladies!

THEATRE PERFORMANCE AT HOTEL PESTALOZZI

Monday, 28 March at 18.30

WILDE ABOUT OSCAR

Written by Rebekah King Performed by Philip Kingscott

Oscar Wilde has got himself into trouble. He may be studying at Oxford University, but that doesn't mean he can get away with talking back to his tutors.

Grounded in his room till the ringing of the morning bell, Oscar uses his imagination to weave a new story: the tale of the Dreaming Prince.

As Oscar tells his story we discover more about him, his inner thoughts and the man he will become.

"I'll be a poet, a writer, a dramatist. Somehow or other I'll be famous, and if not famous, I'll be notorious."

This new play will tell the life story of Oscar using his classic children's tales (The Happy Prince and The Selfish Giant), his plays (The Importance of Being Earnest), his novel (The Picture of Dorian Gray) and his autobiographical writings (De Profundis, The Ballad of Reading Gaol).

Philip Kingscott has worked with National Theatre of Scotland and Piccolo Teatro di Milano. His film and TV credits include Outlaw King (Netflix) and Outlander (Amazon Prime).

Philip Kingscott has performed for IWCL once before. This is a wonderful opportunity to see an amazing actor at work. Save the date, come along, and bring your friends.

Please book your tickets in advance with Sue: iwclpresident@gmail.com

Ticket price - CHF 25.- per person to include a pre-performance glass of Prosecco

IWCL SUPPORT FOR UKRAINIAN REFUGEES**Project One: Social Support****Group Leader - Vanessa Meynen**

We will offer refugees regular coffee mornings and especially the opportunity to attend all our regular (and other) activities so that they can socialise with our members and each other; to befriend, to find their footing in Ticino. From there we will find out, what specifically is needed.

Switzerland takes care of the basic needs like shelter, food, clothing – but we can offer the social aspect – to get these people from being refugees to being with friends and contacts, and receiving support.

We will form a core of IWCL members who can offer the programme and the contact to the refugees, organising the coffee mornings, liaising with the Group Leaders for Walking, Mums and Tots, Cooking etc.

We hope for a special fund from the Club, where donations go to fund the activities with the refugees. We will ask our Russian-speaking members to specifically come forward to help with the communication and to attend the activities.

Please offer your help. We will begin this project as soon as we know that refugees have arrived in Lugano.

Contact Vanessa: Tel: 079 406 53 37 Email- vmeynen@bluewin.ch

Project Two: Something Extra**Group Leaders - Ursula Seiler**

This project is in honour of Petronella, our former President who, as a girl during WW2, collected and sent soap to troops and refugees in Europe. Thanks to Ursula for this lovely story!

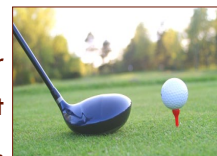

We will be collecting cosmetics, toiletries and, of course, nice soap! For example, you could donate mascara, face cream, lipstick, talc ... Everything must be in date and new. The idea is to give our refugees a little bit of luxury, something extra to make them feel better.

Our collection begins now. Please leave any donations at the Pestalozzi reception – clearly labeled 'For Ukraine.' We will link with the above project to ensure that the donations go to the right people.

Thank you in advance. Please contact Sue if you have any ideas or questions: Tel: 077 924 16 76. Email – iwclpresident@gmail.com

If anyone takes photos of a Club event, it would be great if they could send them to Ruth Sergi so that they may be put on display.

MAH JONG

Do you like to play board games? Why not try MAHJONG?

About 16 years ago we had an Australian lady in the Club who was passionate about this game. She brought all the equipment over here from Perth, Western Australia and started up a **Mahjong group**.

Unfortunately she had to return home to Australia but a few of us still meet **once a week - on Thursday afternoons from 14.30 – 17.00 (at Hotel Pestalozzi)** to play this fascinating game - which is fun, challenging and interesting!

It is a game of Chinese origin, using small engraved tiles, for tables of three to four players. We play the "Western style" (Chinese style is different).

You are very welcome to participate - please contact us for further information!

All COVID restrictions of course apply.
