

MARCH 2024

INTERNATIONAL WOMEN'S CLUB OF LUGANO

Volume 3 www.iwcl.org Issue 317

"By members, for members; together in friendship for over 35 years."

IWCL MONTHLY MEETING

Tuesday, 5 March at the Hotel Pestalozzi

Via Pietro Bianchi, Piazza Indipendenza 9, 6901 Lugano

09.30 - 10.00 Refreshments

10.15 - 10.30 Club Announcements

10.30 - 11.30 Speaker: Agnes Wludyka

"Intriguing Female Characters in Polish Art"

The portrayal of female characters in art is a complex and multifaceted subject that has evolved over centuries. It reflected changes in society, cultural values, and artistic movements. Throughout history, women have been depicted in various roles, not just as objects of desire, but also as powerful symbols, goddesses, muses, mothers, warriors, and other creatures.

Their depiction varied, not just throughout time, but also in different countries

Exploring the rich tapestry of Polish art reveals a plethora of fascinating female characters, each with their own stories, emotions, and complexities. From the enigmatic allegorical figures of Jacek Malczewski through the haunting gaze of Zofia Stryjeńska's mystical heroines to the grotesque, at first glance, but complex and resilient women of Jerzy Duda-Gracz, Polish art offers a diverse array of female representations that captivate viewers with their depth and allure.

I would like to take you all on a journey through some of my favourite female portrayals in Polish art over decades. We'll meet ethereal muses, haunting creatures, powerful symbols, and modern icons from female and male artists alike that continue to intrigue and inspire.

My name is Agnes and I'm an art historian, I have been a member of the club for over 2 years. I come from Poland but moved abroad 20 years ago when I was very young. At first, I moved to London where I did my studies and obtained my master's degree in art history. There I worked with the collection of Polish art at the Polish Library and at the Victoria and Albert Museum. I also worked as a graphic designer for various companies and now I try to create my own digital art. From London I moved with my husband to France (Nice) then to Switzerland in early 2019. We lived in Lausanne, then Zürich, finally we moved to Lugano (precisely Maroggia) in 2021. In Switzerland I worked remotely at the Virtual Museum of Anthropocene and now I'm starting my own virtual gallery with my associate. Since art has always been my passion, I am very excited about this new venture.

A BIG THANK YOU

Jonsi Andrews has been a member of IWCL since the Club began, over 35 years ago. She's a stalwart supporter, a friend to all of us, a rock and someone we have all come to depend upon. She knows our Club's history better than anyone; she knows all our members ... in fact she's probably the only person in the Club that ALL our members know, because she's been our Membership Secretary for about 20 years, and has introduced most of you to IWCL!

Jonsi is famous for many things, apart from welcoming all of us to IWCL. She's kind, generous and funny. She's led many Activity Groups over the years, and has held most roles within the Board. She's an excellent chef, a great dancer and someone who contributes wholeheartedly to everything she does. She creates the tags for the Monthly Meetings, she runs the Newcomers' Tea Parties with Cat, she's our Open Doors liaison ... it's a wonder that she has time to run her business and be a mum and a grandma!

She has managed our website for a long time. She's the one who puts new members in there. She's the one we call if we lose our password, or have a problem with any aspect of Club life. She sorts us out.

Jonsi is, sadly, stepping down from her role as IWCL Membership Secretary - it's probably time, after 35 years devoted to IWCL. She will still continue as a member and a participant, and she's going to help our new Membership Secretary, Andrea Never, to find her feet as she takes over. We will miss her so much as a Board Member, but not as a Club Member, because we will hopefully see her all the time at our groups and events.

Thank you, Jonsi, for everything you have done (and will continue to do ...) for our Club, and for all of us as individuals. You are a wonderful woman. We love you. Keep on dancing!

MENTOR SCHEME FOR NEW MEMBERS

Have you been a member of IWCL for a while, and do you know your way around Lugano? Would you be kind enough to offer advice and support to a new Club member for their first six months here? Maybe you could welcome someone to their first Monthly Meeting or our Club Coffee Morning, or simply arrange a chat over a coffee.

The support could include advice about parking, doctors, dentists, veterinarians, kennels, shopping, restaurants ... the list is endless! Most important is a friendly voice and a listening ear, just whilst your mentee settles in.

Here's a comment from our new Membership Secretary about the Mentorship Scheme: "As a new member in Barcelona, I was taken under the wing of a very kind lady when we had just moved there, 20 years ago. I felt a million times better once I knew that there was someone in my new home town who could offer advice, help, and who I could sometimes lean on."

It would be great to set up a team of mentors and give a Mentor Scheme a solid try here in Lugano. We can really make a difference. Your help is amazingly appreciated.

If you feel able to be a Mentor, or would like a Mentor, please contact our new Membership Secretary.

CULTURAL VISIT (CP)

Braglia Exhibition

Thursday, 14 March, 10.30 - 12.00

Riva Antonio Caccia 6a

A visit to the Braglia Fondazione in Lugano is planned for Thursday, 14 March at 10.30. As described in the IWCL newsletter in November, the current exhibit, entitled Nolde e Beck, La Forza del Colore (Nolde and Beck, the Power of Colour) concentrates on Expressionism, of which Nolde is historically one of the most important exponents, and Beck, an enterprising disciple. The explosion of colour is stunning, the location intimate and inviting.

We will have an excellent guide, in English. The entrance fee is CHF 15.- per person; the cost for the guide is CHF 150, to be divided between the participants.

Please sign up with Sue **before Wednesday, 6 March:**

To join our March Cultural Group experience, write to:

IWCL CULTURAL GROUP

iwclculturalgroup@gmail.com

We now choose to offer sign ups at the Monthly Meeting and via email for the IWCL Cultural Group: it's easier to deal with multiple event inscriptions in the same month. Thank you for your understanding and support.

You can also combine this visit with our March Ladies' Lunch. Please see the separate announcement for this and sign up directly with Lilo (details on page 7).

'SUNDOWNER SPECIAL'

Ladies, we are delighted to announce our new Aperitivo Group!

The idea is to meet up for a drink and a chat, not necessarily to eat anything, but just to get together in the evening - after work and before dinner.

Once a month, we will meet for drinks '**after work**' in a great venue in and around Lugano. We would love to encourage everyone to join us, and especially those ladies who can't often make it to daytime activities.

Our March Sundowner will be at:

SEVEN LOUNGE

(Via Schauffacher 1)

Wednesday, 20 March

18.00 onwards

It would be great to know that you are coming along; please contact Elizabet at

iwclofficialevnts@gmail.com

If you have a favourite Aperitivo location, let us know and maybe we can organise the next Sundowner there!

MUSIC APPRECIATION GROUP

I know that there are many of you out there who love music, concerts, opera, singing, concertos and all the other forms of musical entertainment that Lugano has to offer.

BUT how many times do you miss beautiful events because you didn't know about them? **OR** how many times do you not go to wonderful concerts because you don't want to go alone? **AND** how often would you like to find out about musical events that are taking place in our city which might appeal to you?

This is the group for you!! I want to create an informative, interactive group in which we can exchange news of upcoming events, find friends to go along to concerts with and a place to post reviews, comments and critiques.

Please sign up to this 'Music Appreciation Group' so that we can keep each other informed about all the musical events taking place in Lugano. I look forward to hearing from you, and I will get back to you soon with some ideas!

LET'S CHAT IS GOING HIKING!

This group meets at least once a month to explore the hiking trails of Ticino and possibly beyond while chatting about all manner of topics. The hikes will be roughly three hours in length and will include a picnic stop. Participants are kindly asked to pre-register, be equipped with appropriate walking attire (walking shoes, sunscreen, etc.) and bring a packed lunch and water. The goal is not only to hike but, as before, to openly engage, share knowledge, opinions, and experiences around a given theme.

Please contact Maria to be included on the distribution list for information about forthcoming walks.

MAH JONG

Do you like to play board games? Why not try MAHJONG?

About 17 years ago we had an Australian lady in the Club who was passionate about this game. She brought all the equipment over here from Perth, Western Australia and started up a **Mahjong group**.

Unfortunately she had to return home to Australia but a few of us still meet **once a week - on Thursday afternoons from 14.30 – 17.00 (at Hotel Pestalozzi)** to play this fascinating game - which is fun, challenging and interesting!

It is a game of Chinese origin, using small engraved tiles, for tables of three to four players. We play the "Western style" (Chinese style is different). You are very welcome to participate - please contact us for further information!
